Primary Provider Application for Initial Certification Synchronous Course Submission

This application is required for primary providers seeking certification for the first time or a course offered through a new delivery method.

Instructions for using this application

If you are a primary provider seeking ARELLO® certification for the first time or for a new delivery method, please complete this application below. ARELLO® reserves the right to “classify” providers and delivery methods based on the information supplied.

- You may use this application for more than one course submitted for certification at the same time using the same delivery method. Please answer each question as completely as possible and answer NA (not applicable) for any question that does not apply to your course(s). You may need to include and identify supplemental documentation for support of different aspects of your course design and delivery.
- To submit your application and supporting documentation, login to the ARELLO-IDECC Course Management System (CMS) at <https://cms.arello.org>. Choose your organization’s name from the drop down list and enter your password. If you forget your password you can have it emailed to the primary contact on file. If your organization’s name does not appear in the list, contact us at 312-300-4800 or email info@arello.org to setup an account. Once logged in to the CMS, click “New Submission” to begin, and follow the directions through the course submission wizard.
- When using the CMS to submit courses, you will have the opportunity to pay the fees via credit card or check. If you choose to pay by check, mailing instructions will be included on your invoice. Your application will not be reviewed until application fees are paid in full and all applicable documentation has been received.
- If this is your first time using the CMS, look for the Help buttons throughout the site which will give you more information on terminology and processes.
- Applications must be completed and submitted electronically via the Course Management System. Accompanying documentation can be provided in PDF or other standard electronic document format.
- Once payment has been received, the application has been completed and supporting documentation is uploaded via the course management system, a reviewer will be assigned within 5-10 days and results of the initial review will be posted in the course management system and sent to you by email within 30 days of submission.
- A provider who submits an incomplete application will have 30 days to comply with ARELLO® application requirements. If a provider fails to submit a complete application, the application will be cancelled and fees forfeited.
- All application fees are non-refundable.
- Once the provider receives the first review of the submission from ARELLO®, the provider must respond and participate in the review process within 45 days. If the provider has not responded within that timeframe, the application will be deemed abandoned and fees forfeited. If the deficiencies have been remedied, the course will undergo a final review.
- ARELLO® has supplied a copy of the Distance Education Evaluation form at the end of the application. Providers are encouraged to use this evaluation framework for their evaluations. Providers will need to submit tabulations/ comments at time of recertification.
